space

select region

Color corresponds to the type of expected argument:

- (Reserved key)
- (Prefix map)
- A region
- A search space
- A character
- No Argument
- First an enclosure, then a region

Left-hand text region specifiers:

qquotes (string)	wword	fword	pparagraph	greserved
aenclosure	rwhole-line	Ssymbol	treserved	ddocument
Zinclosure	Xs-expr	Cs-expr contents	Vreserved	brreserved
